VITODENS 222-F, B2TF-25

Two energy labels for heating components. The top label shows a boiler icon and a radiator icon, both with an 'A' rating. The bottom label shows a boiler icon and a tap icon with 'XL', also with an 'A' rating.

Energy scale for heating system components. The scale ranges from A+++ (green) to G (red). A black arrow points to the 'A' rating.

Four energy labels for system features. Each feature is preceded by a blue plus sign and followed by a square box: a solar panel, a hot water tank, a touch control panel (with an 'X' in the box), and a boiler.

Energy scale for system features. The scale ranges from A+++ (green) to G (red). A black arrow points to the 'A' rating.
