VITODENS 222-F, B2SF-25

Two energy labels for heating components. The top label shows a boiler icon and a radiator icon, both with an 'A' class label. The bottom label shows a boiler icon and a tap icon with 'XL', also with an 'A' class label.

Four optional features listed with plus signs and checkboxes: a solar panel (checkbox empty), a hot water tank (checkbox empty), a control panel (checkbox with 'X'), and a boiler (checkbox empty).

Energy label for a radiator component. It features a radiator icon at the top, a scale of energy classes from A+++ (green) to G (red), and a final 'A' class label on the right.

Energy label for a tap component. It features a tap icon with 'XL' at the top, a scale of energy classes from A+++ (green) to G (red), and a final 'A' class label on the right.
